Experience

Self-Taught Web Developer

January 2022 - Current

E-Commerce Fashion Website

<https://bit.ly/3OX4Rj>

Based on a business my wife would like to start. I built a dummy full-stack e-commerce fashion site. Given the scale of the project, I was required to learn and apply tools such as Redux, TailwindCSS, and Typescript. The website features various types of products, product pages, a shopping cart a checkout system, and user authentication.

Uses Typescript, React, Redux, TailwindCSS, Code Splitting

RPG game App

<https://bit.ly/3un7yBq>

Inspired by my love for RPG's I decided to build one from scratch.

This game features four playable characters (including myself!), a leveling-up system, and a nine-level roadmap with progressively difficult enemies.

Uses Object Oriented Programming to create classes, and instantiate objects.

Community Development Officer | Central Jamia Mosque Ghamkol Sharif

Birmingham - September 2021 - August 2022

- Communicated effectively with all different personalities and people in various job positions by being courteous, enthusiastic and offering clear feedback
- Communicated with the local community to identify key targets for growth
- Engaged with third-party organizations to plan and deliver key services for the community
- Liaised and worked with the local police force to keep the area safer
- Planned and organized meetings with local community leaders to discuss key issues that needed addressing
- Used critical thinking to break down problems, evaluate solutions and make decisions
- Built partnerships with related organizations to develop support and gain greater attention for important issues
